Information concerning him may also be transmitted to the Underwriter, as well as to all persons accredited as Authorised Third Parties (courts, arbitrators, mediators, relevant ministries, supervisory and regulatory authorities and all public bodies authorised to receive it as well as departments in charge of control such as statutory auditors, auditors and departments in charge of internal control).

The data and documents concerning the Insured are kept for a period of five (5) years from the end of the policy or termination of the relationship.
- ▶ His personal information may also be used within the framework of processing to fight against insurance fraud, which may lead, if applicable, to registration on a list of persons presenting a risk of fraud. This registration may have the effect of extending examination of his file, or even the reduction or refusal of the benefit of a right, benefit, policy or service offered. In this context, personal data concerning him (or concerning persons or parties who are interested in the policy) may be processed by any authorised persons working within the entities of the Insurer Group in the context of the fight against fraud. These data may also be intended for the authorised personnel of

organisations directly concerned by fraud (other insurance organisations or intermediaries; judicial authorities, mediators, arbitrators, court officials, ministerial officers; third- party organisations authorised by a legal provision and, if applicable, victims of acts of fraud or their representatives). In the event of a fraud alert, the data are kept for a maximum of six (6) months to qualify the alert and then deleted, unless the alert is relevant. SUBROGATION

MUTUAIDE ASSISTANCE is subrogated, for the amount of the indemnities paid and the services provided by it, in the rights and actions of the Insured, against any person responsible for the facts which justified its involvement. When the services provided in execution of the agreement are fully or partially covered by another company or institution, MUTUAIDE ASSISTANCE is subrogated in the rights and actions of the Insured against this company or this institution.

TIME LIMIT

In application of Article L 114-1 of the French Insurance Code, any action resulting from this policy is time-barred two years after the event giving rise to it. This period is extended to ten years for death covers, with the actions of beneficiaries being time-barred at the latest thirty years after this event. However, this period only runs:

- in the event of reluctance, omission, false or inaccurate statement on the risk incurred, from the day that the Insurer became aware of it;
- in the event of a claim, from the day that the concerned parties became aware of it, if they prove that they were unaware of it until then. When the action of the Insured against the Insurer is due to the recourse of a third party, this time limit only starts from the day that this third party brought legal action against the Insured or was indemnified by it.

This time limit may be interrupted, in accordance with Article L 114-2 of the French Insurance Code, by one of the following ordinary causes of interruption:

- recognition by the debtor of the right of the party against whom the time limit was reached (Article 2240 of the French Civil Code);
- legal action, even in summary proceedings, until termination of the proceedings. The same applies when it is brought before a court that does not have jurisdiction or when the act of referral to the court is cancelled out by the effect of a procedural defect (Articles 2241 and 2242 of the French Civil Code). The interruption is void if the requester withdraws his request or allows the procedure to expire, or if his

request is definitively rejected (Article 2243 of the French Civil Code);

► a precautionary measure taken in application of the Code of Civil Enforcement Procedures or an act of forced execution (Article 2244 of the French Civil Code).

It is recalled that:

► Notification made to one of the joint debtors regarding legal action or an act of forced execution, or recognition by the debtor of the right of the party against whom the time limit had expired interrupts the time limit against all the others, even against their heirs.

► However, notification made to one of the heirs of a joint debtor or the recognition of this heir does not interrupt the time limit with regard to the other joint heirs, even in the event of a mortgage, if the obligation can be split. This notification or recognition only interrupts the time limit with regard to the other co-debtors, for the part owed by this heir.

► To interrupt the time limit period for the whole debt, with regard to the other co-debtors, it is necessary to notify all the heirs of the deceased debtor or to recognise of all these heirs (Article 2245 of the French Civil Code).

► Notification made to the principal debtor or his recognition interrupts the time limit against the guarantor (Article 2246 of the Civil Code).

The time limit can also be interrupted by:

► the appointment of an adjuster following a claim; • sending a registered letter with acknowledgment of receipt (sent by the Insurer to the Insured regarding the action for payment of the premium and sent by the Insured to the Insurer regarding settlement of the claim indemnity).

SETTLEMENT OF DISPUTES

Any difference arising between the Insurer and the Insured relative to determination and payment of benefits will be submitted by the first party to take action, failing amicable resolution, to the competent court at the domicile of the Insured, in accordance with the provisions of Article R 114-1 of the French Insurance Code.

FALSE STATEMENTS

When they change the subject of the risk or reduce our opinion of it:

► Any reluctance or intentionally false declaration on your part will render the policy null and void. We shall retain any premiums paid and we shall be entitled to demand payment of the premiums due, as provided for in Article L 113.8 of the French Insurance Code.

► Any omission or inaccurate statement by you for which bad faith is not established results in the termination of the policy ten days after the notification is sent to you by registered letter and/or the application of the reduction in indemnities of the French Insurance Code, as indicated in Article L.113.9.
